PROSPECT SA 5082

Dear Yaping,

Congratulations on your completion of Flinders University's Bachelor of Nursing (Graduate Entry). This is an achievement of which you should be very proud.

As a recent graduate, you are invited to take part in the Graduate Outcomes Survey (GOS). The GOS is a national survey being conducted for the Australian Government Department of Education. All recent graduates from all Australian Universities are being invited to take part.

Your responses will help higher education providers and the government to improve the student experience. Your feedback is very important and will contribute directly to the quality of teaching and learning for current and future students.

The GOS is administered by the Social Research Centre, a leading research organisation, on behalf of the Australian Government Department of Education.

You will receive an email invitation with a link to the online questionnaire from 28 April 2026. We would greatly appreciate you completing this survey, but your involvement is voluntary. All responses are confidential and no personal information will be linked to your response.

As an incentive for your participation, you will have the chance to enter the national weekly prize draw run by the Social Research Centre to win a share of \$1,000 pre-paid VISA e-gift cards. Prize draws take place at the end of each week over the four-week survey period and the total prize draw is valued at \$37,000. To increase your chances of winning and be eligible for all four prize draws, submit your survey early.*

*Please see prize draw terms and conditions at <http://www.srcentre.com.au/gostcs>

Please watch your inbox for your invitation to complete for the GOS from Tuesday 28 April and if you would like further information please visit www.gos.edu.au.

The results of this survey are made publicly available on the ComparED website at compared.edu.au.

Kind regards,

Professor Colin J Stirling
President and Vice-Chancellor
